FUNDRAISING

We are glad to be able to offer you our services to assist with your fundraising efforts. We at Cottage Bakehouse have had a long history of supporting organisations in making profitable solutions for your fundraising needs.

For us to be able to offer our great prices and for you to make the best returns we do need to have orders well in advance and please note we can only supply fundraising on Thursday and Friday afternoons. A final order will need to be to us at least 1 week prior to ensure a smooth event.

We have attached an order form for you to print out and photocopy to use for sales people to receive their orders and compile their final numbers. This form can then be used by the organisers to send in the final numbers to us via fax or email.

To encourage your sales and make the most out of your fundraiser we are happy to supply you with a \$20 voucher to be used at any of our Cottage Bakehouse shops to award to the person who sells the most products for you.

Delivery information will be discussed prior to the event, any bread crates supplied to you on delivery will need to be returned or must be charged for.
